

Lady Blackhawks Youth Basketball

Welcome to the 2019-2020 Lady Blackhawks Youth Basketball family! Lady Blackhawks Youth Basketball is dedicated to providing the best possible experience for our players while offering them the chance to play against a high level of competition. Our teams will be participating in the Badger Developmental League (BDL) this season. The BDL consists of youth programs whose High School teams compete in the WIAA Badger Conference and some non-conference teams from the surrounding area. All of our youth teams will have an opportunity to participate in a few tournaments outside of the BDL as well.

We are excited to be offering more off-season development opportunities for our players this summer. To keep you informed and up to date on all things LBB, we are opening registration for the 2019-2020 season starting June 11th. Please visit our website to register online at www.ladyblackhawkseyouthbasketball.com. Paper forms are also available to print out from the website. You can turn in the completed registration form in person to one of the coaches or board members, email it to ladyblackhawksbasketball1@gmail.com, or mail it to P.O. Box 312 Fort Atkinson, WI 53538.

Our 2019-2020 season will tip-off with a club wide skills clinic at the beginning of October. Practices will start the following week and be held at the Middle School on Tuesday and Thursday evenings. The individual team coaches will communicate the specific practice details throughout the season.

We are excited for another great season of Lady Blackhawks basketball! Please do not hesitate to contact me with any questions you may have.

Thanks

The Lady Blackhawks Youth Basketball Board of Directors strives to deliver a high-quality experience for our players while keeping the registration fees affordable for our family members. This season's registration fee is set at \$150.00 per player. Although this is an increase from last year, it is still well below fees charged by other youth sports organizations. The registration fee should not be a barrier to a player wanting to join our program. We do provide scholarships to those who might need assistance. As a non-profit organization, we believe that you should know what the registration fees will be used for. Here is a list of costs that the fees will help cover:

Badger Developmental League entry fees	\$625 per team
Insurance policy	\$840 per season
New player basketballs	\$55 each
Shooting shirts	\$20 each
Tournament entry fees	\$125 - \$200 per tournament

In addition to the registration fees that we collect, Lady Blackhawks Youth Basketball will also hold various fundraisers throughout the year to support and enhance the program. A small portion of these funds will be used to cover the administrative costs of the program such as maintaining a website and filing fees required by the State. The maximum amount of funds possible will always directly benefit the players in the program or be used to promote girls basketball in the community. If you ever have any questions about the costs associated with the program, please contact the Board of Directors. The most recent Treasurer's report and projected budget are available upon request.

Thank you
