

Lady Blackhawks Youth Basketball

Hello LBB Families

Welcome to the 2021-2022 Lady Blackhawks Youth Basketball season! Lady Blackhawks Youth Basketball is dedicated to providing the best possible experience for our players while offering them the chance to play against a high level of competition. Lady Blackhawks Youth Basketball exists to educate and empower young girls in our community with confidence, commitment, and honor through the game of basketball. All of our teams will be participating in the Badger Developmental League (BDL) again this season. The BDL consists of youth programs whose High School teams compete in the WIAA Badger Conference. All of the teams will have an opportunity to participate in a few tournaments outside of the BDL as well.

We are excited for another great season of Lady Blackhawks basketball! We saw some great development from our teams last year and are looking to grow even more this season. Please make sure to read the attached letter from our Board of Directors and do not hesitate to contact me with any questions you may have.

Thanks

The Lady Blackhawks Youth Basketball Board of Directors strives to deliver a high-quality experience for our players while keeping the registration fees affordable for our family members. This season's registration fee is set at \$175.00 per player. We feel this is well below fees charged by other youth sports organizations. The registration fee should not be a barrier to a player wanting to join our program. We do provide scholarships to those who might need assistance. As a non-profit organization, we believe that you should know what the registration fees will be used for. Here is a list of costs that the fees will help cover:

Badger Developmental League entry fees	\$625 per team
Insurance policy	\$970 per season
New player basketballs	\$65 each
Shooting shirts	\$20 each
Tournament entry fees	\$175 - \$275 per tournament

In addition to the registration fees, Lady Blackhawks Youth Basketball will also hold various fundraisers throughout the year to support and enhance the program. A small portion of these funds will be used to cover the administrative costs of the program such as maintaining a website and filing fees required by the State. The maximum amount of funds possible will always directly benefit the players in the program or be used to promote girls basketball in the community. If you ever have any questions about the costs associated with the program, please contact the Board of Directors. The most recent Treasurer's report and projected budget are available upon request.

Thank you
